# AAU REGISTRATION

## MIDLAKES SUMMER DIVING - 2021

### WHY MIDLAKES DIVE ATHLETES GET AAU INSURANCE

Insurance is important. We need it so that we are protected in case of accidents. You probably have health insurance for your family members. In addition, your swim club maintains an insurance policy in case of issues that happen at the club. Since your club belongs to the Midlakes Swim and Dive League, the Midlakes organization also provides another layer of insurance for clubs and their participants in the organized competitions between clubs. One more layer of “excess liability” is needed for competitions including diving boards. Midlakes Dive purchases an AAU insurance certificate for this excess liability coverage. In order for Midlakes to qualify for AAU insurance coverage, athletes must also register individually as members of AAU. Every athlete must be an AAU member in order for the AAU coverage for Midlakes to be valid.

### WHY WE GET EXTENDED COVERAGE (AB)

AAU provides two levels of membership. Basic membership and Extended Coverage (AB) membership. If our athletes all participated at only one AAU certified location, then basic membership would be fine. The Extended Coverage (AB) membership is critical since this extends our insurance coverage to all our member pools so that if an accident happens during a competition at another pool, our dive athletes will still be covered.

From the AAU website - <https://aausports.org/Insurance/Extended-Coverage>:

“The Extended Coverage Membership program was developed to extend coverage for AAU members while they participate in events hosted by other sports entities (not the AAU).”

#### ***To have extended coverage (AB), the following criteria applies:***

- For team competitions, the entire competing team and coach (non-athlete) must be AAU extended coverage members.
- For individual competitions, each competing individual must be an AAU extended coverage member and must be supervised by an AAU extended coverage registered coach (non-athlete).

#### ***Benefits of the extended coverage membership are:***

- Sports Accident insurance
- General Liability insurance
- Certificates of insurance
